C. R. Kluger, the Jeweler, 1050 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." ### HOPEWELL JUNCTION MURDER CLEARED

Monat Makes a Confession Implicating George Conrow.

Poughkeepsie, Feb. 5.—The Hopewell Junction murder and robbery was entirely cleared up by the confessions of Napoleon Monat and George Conrow, the two New Haven railroad men who were arrested for the crime. Monat broke down yesterday and told Chief of Police McCabe that the crime was prearranged between him and Conrow. Monat said that they agreed to rob the Kilt's. He obtained a draught bolt and went to Kilt's restaurant, where he asked John Kilt for a cob pipe. As he turned to get it he felled him with two blows.

Mrs. Kilt was awakened by the noise and he struck her with the bolt. He robbed the couple of \$25, which he divided with Conrow, who had remained outside acting as a lookout, giving him \$25. The two men before leaving Hopewell went to the restaurant with the crowd after the murder was discovered and looked at Kilt's body. They met the second day after the murder at the Arlington Hotel in New Haven, and together spent the proceeds of the robbery. They bought clothing and jewelry and blew in a lot on fast women.

### "MY BOY WOULD COUGH ALL NIGHT

But Since Taking Father John's Medicine He Does Not Cough at All"

"My little boy Leon had whooping cough and after getting over it he still had a very bad cough," said Mrs. E. E. Jackson of Cliftondale, recently. "Every night after supper, he would have a bad coughing spell, accompanied by nausea, and would cough continually all night. A friend told me about Father John's Medicine. I gave it to him, and before he had taken half a small-sized bottle, the nausea stopped. He is on his second bottle now, and does not cough hardly at all." (Signed) Mrs. E. E. Jackson, 10 Jackson St., Cliftondale, Mass.

Father John's Medicine prevents pneumonia and consumption—builds you up because it is all pure nourishment. Not a patent medicine.
